Can you match these faces to the 6th graders?

I like that **Mr. Drake** can forget about things and go on with his life if a student does something bad to him.

Ms. Williams will not let you use the words "I can't."

Ms. Mahoney makes sure we know what we're doing.

People give **Ms. Powers** millions of things to do and somehow she gets them all done.

Ms. Hicks is so nice and she lets us take a break when we are tired.

Ms. D is a great helper with calming peoples nerves and is always cheerful.

I like **Ms. Stevens** because she brings in lots of learning stuff and books.

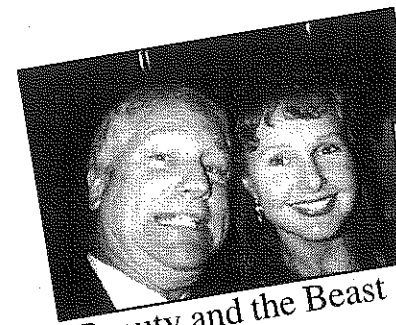

Ms. Frank respects our ideas.

Ms. Minsavage does a good job because she gets everyone to do what they are supposed to do and she can be friendly at the same time!

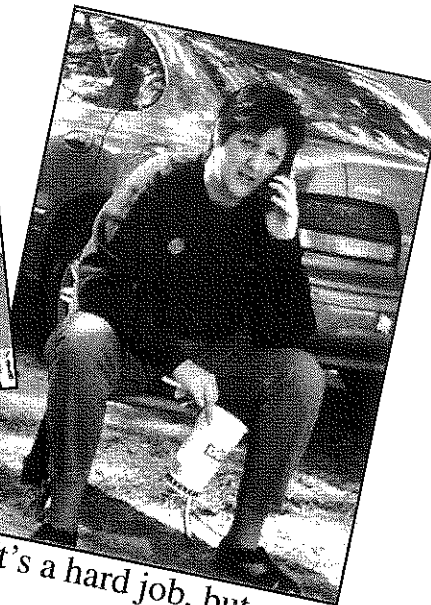

Terrific
