# In memory of Vitie Drake 1923 - 2013

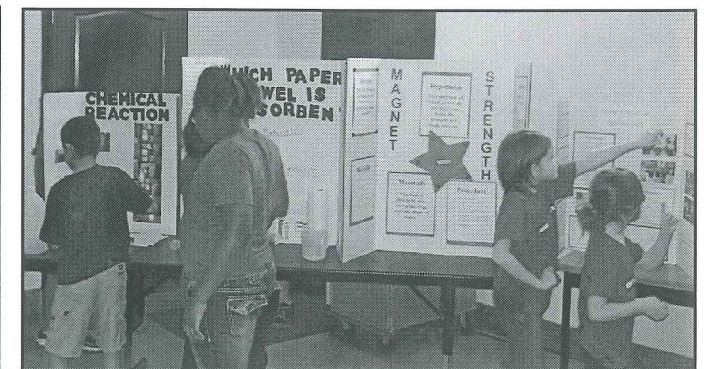

Vittie Drake created the original logo for the One Room School House when it opened its doors in 1997. We have used it ever since.

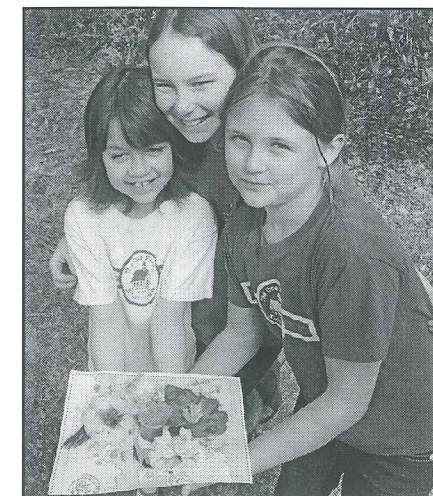

Loving father and friend,  
Your memory lives forever in our hearts.

# Expanding Horizons

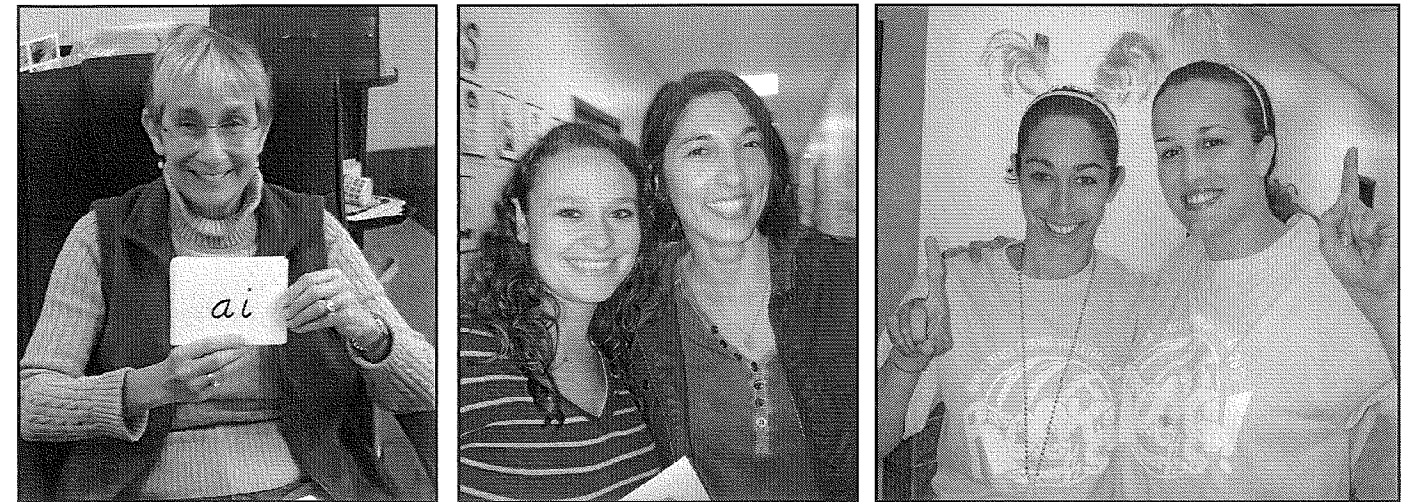

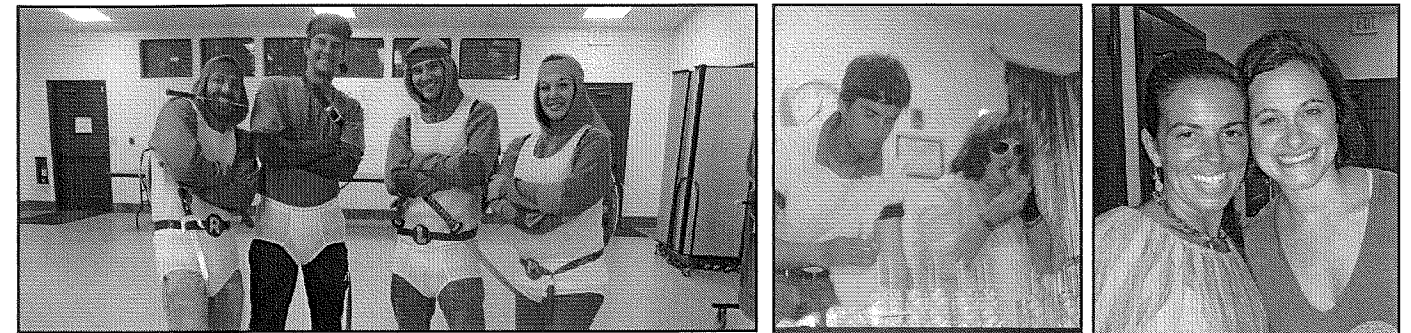

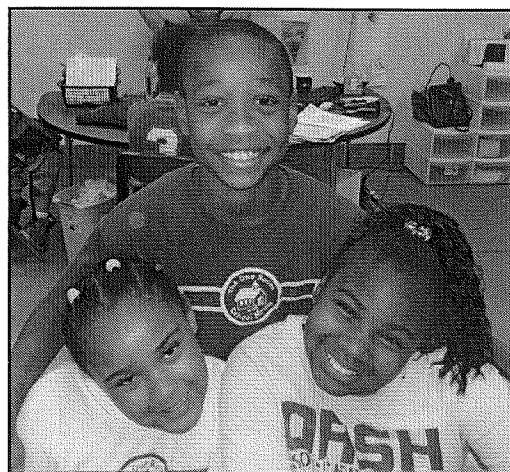

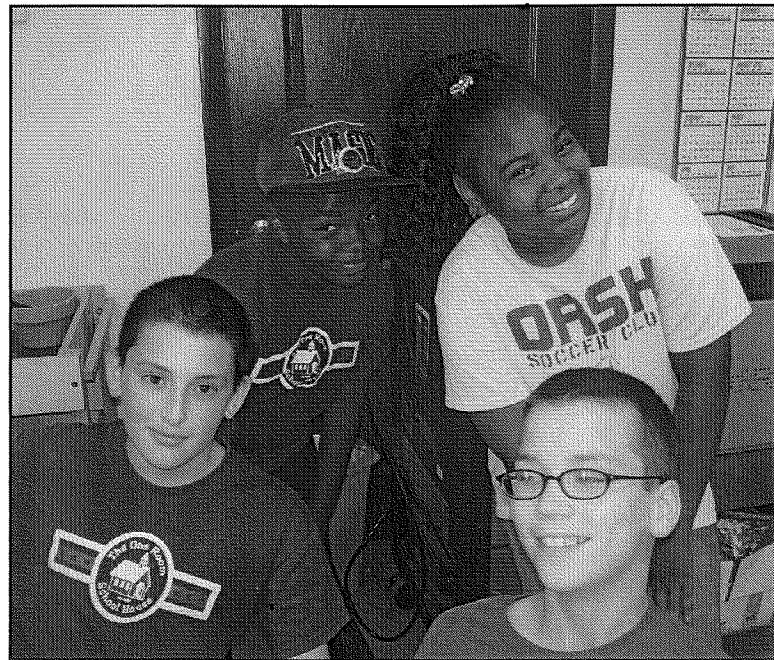

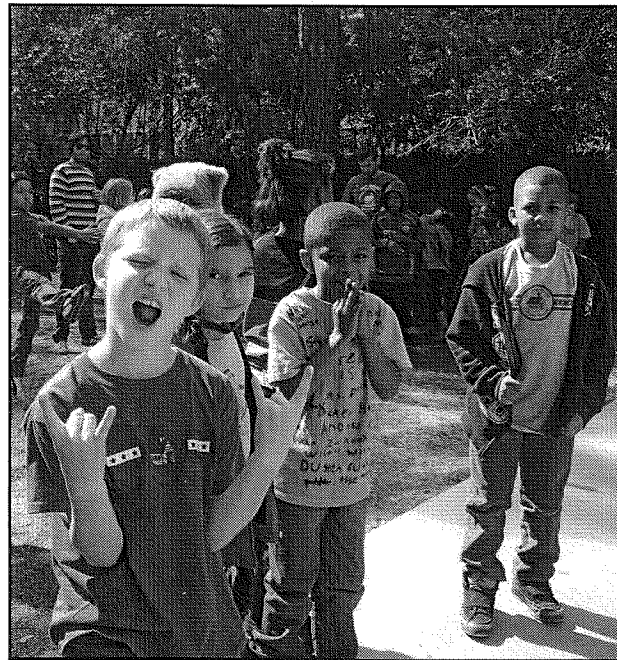

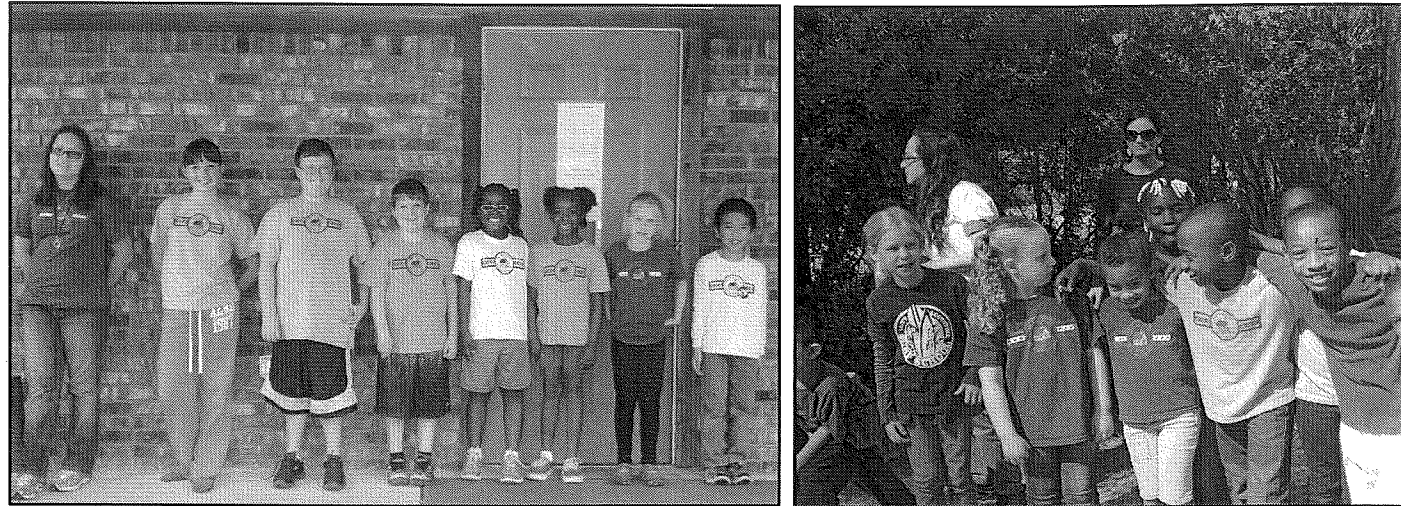

In the 2012-2013 school year, ORSH students expanded their horizons, both in the Gainesville community, and in the classroom. Mr. Josh headed our first annual science fair. His students got the opportunity to experiment with everyday materials and investigate how they work.

ORSH students also took several field trips this year. We got to visit the Gainesville courthouse, Kanapaha Gardens, Bouncing Big, and Gator Nationals.

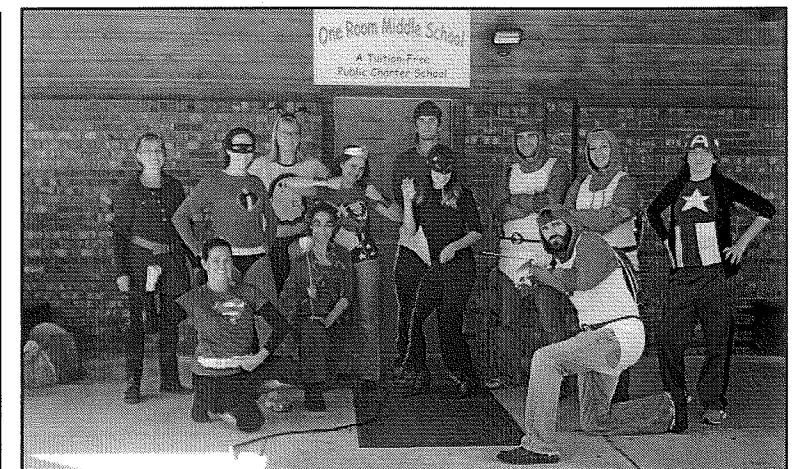

# Making Memories

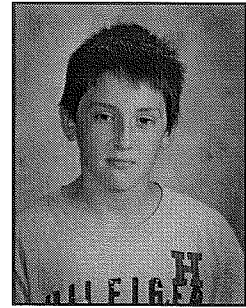

The teachers of The One Room School House are quite a bunch! They are a great group of teachers that any student would be glad to have.

# Fall Fun

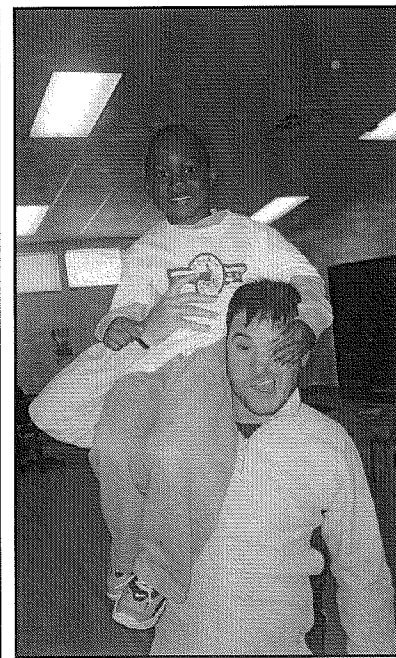

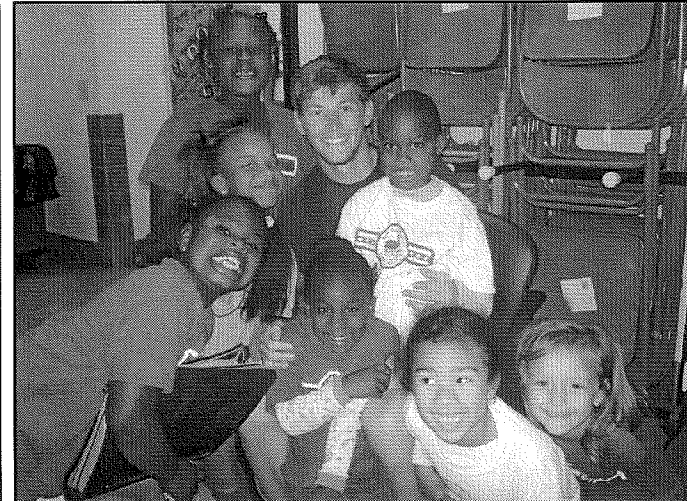

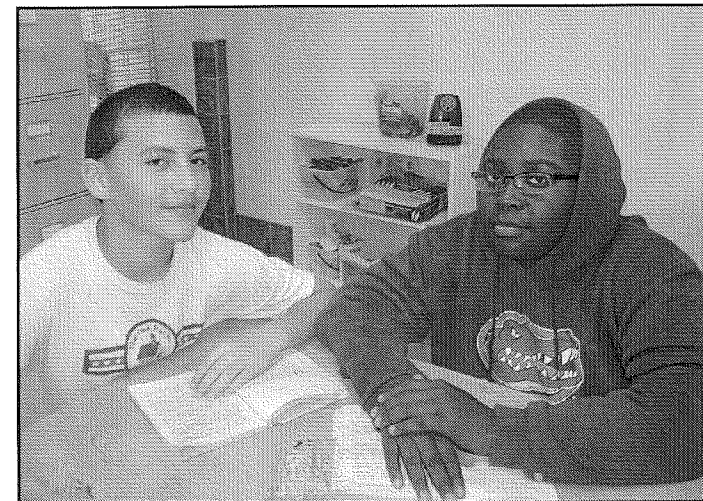

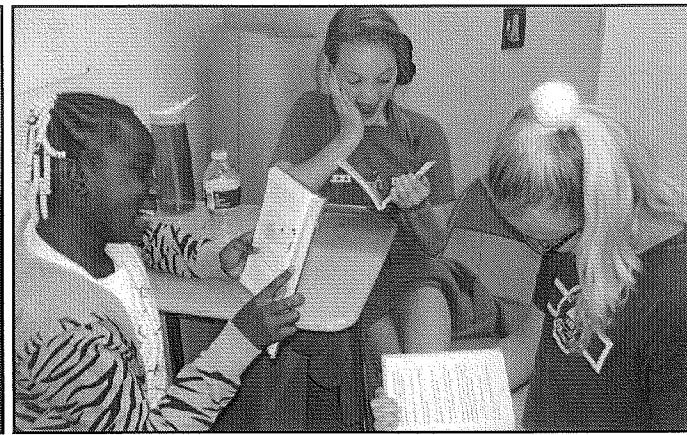

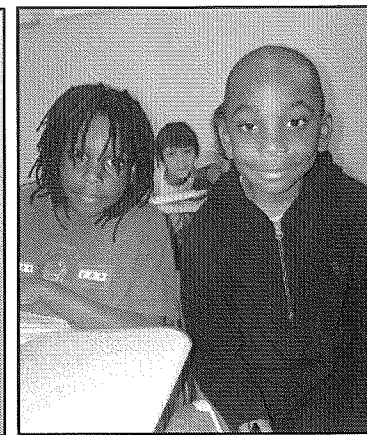

This Fall, The One School House hosted its annual Halloween parade and Chili Cook-off. Students, parents, and teachers celebrated by dressing up and cooking up a storm! The cook-off featured several delicious recipes that helped us raise hundreds of dollars! We even got to enjoy Coach Carr win another chili dog eating contest. Despite the cold weather, all who came had tons of fun!

# Fridays

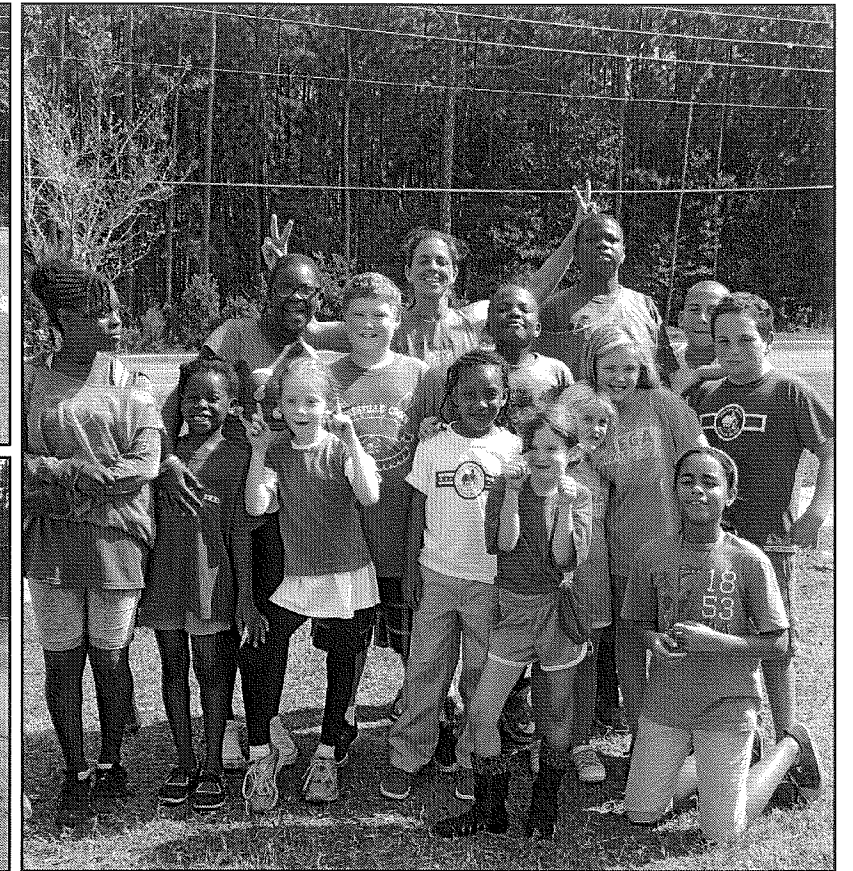

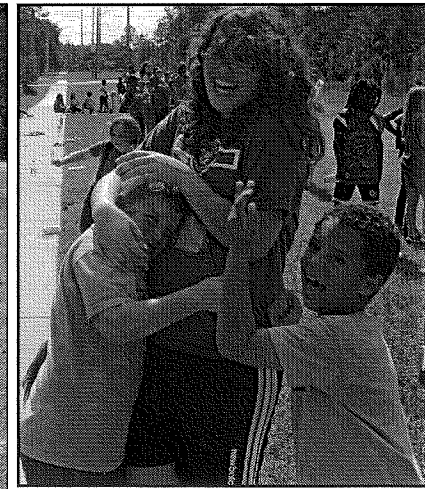

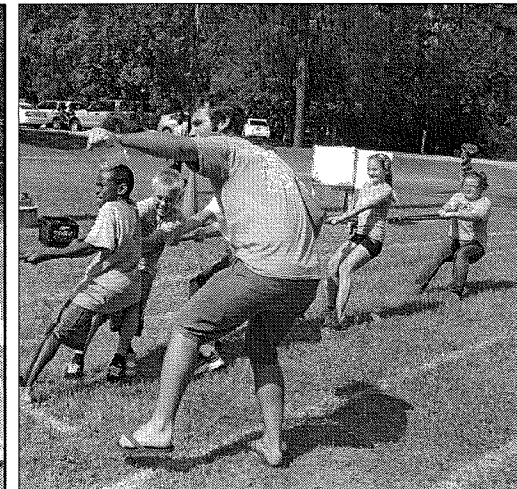

The last friday of each month, ORSH hosts its "Fun Friday" festivities. When the clock strikes 12:30, students take a break from studying and let loose. Events this year ranged from field day, to an 80's themed dance party, to a "Pie Your Teacher" trivia game.

# Field Day

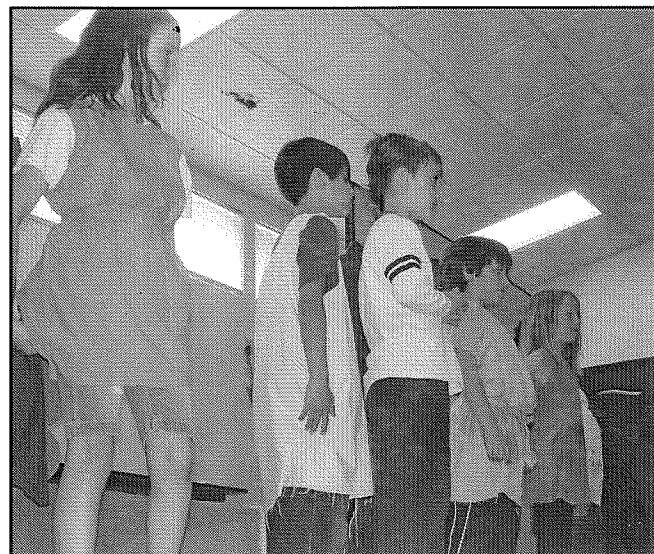

# ORSH Extras

The One Room School House offered several extracurricular activities this year. The One Room sports teams were amazing. The teams include track and field, soccer, and volleyball. The drama club was led by Ms. Maude and Mr. Larry. These students entertained us with stage productions such as *A Christmas Carol* and *Snow White*.

# 5th Grade Patrols

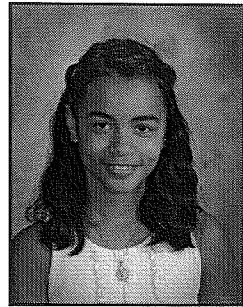

5th grade patrols perform duties around the school and keep an eye on the younger students. They had an awesome year. Congrats to this stellar group of 5th graders! This summer, the patrols are going on a trip to Washington, D.C. to explore the city.

Have fun, patrols!
